EJTN partnership approach

With the support of the
European Union

Two main types of partnerships may occur:

- 1. Calls for proposals/tenders**
- 2. Long term institutionalised partnerships**

EJTN partnership approach

EJTN's commitments may be specific to each agreement, for instance:

1. Promotion of the event among EJTN members and support to registration of participants.
2. EU-wide dissemination of training materials and deliverables (training handbooks, results...).
3. Provision of expertise.
4. Pedagogical guidance and approval of training programs, agendas, materials...etc.
4. Logistical support to organization of events
5. Co-organisation (with partner) of training events included in EJTN annual training programme of activities.

EJTN partnership approach

With the support of the
European Union

The partners' commitments would also be specific to agreements but could be:

1. Identify training needs
2. Co-fund the activities
3. Provide expertise complementary to EJTN's

The European Judicial Training Network

Thank you!
